AURA – Bid Emails

Two professional emails for the AURA client bid: a pitch email and a follow-up email. Replace the bracketed placeholders before sending.

Email 1 – Pitch Email

To: [Client Name / Email] **Subject:** Proposal: Brand & Launch Campaign for AURA's Foldable Water Bottle

Dear [Client Name],

I hope you are well.

My name is [Your Name], and I help new consumer brands launch with a clear identity and a campaign that turns attention into orders. I am writing to submit my proposal for the launch of your eco-friendly foldable water bottle, which I have developed under the brand name **AURA**.

What I have prepared for you:

- A logo and brand identity built on a droplet, leaf, and mountain symbol, with a premium navy and icy-blue palette
- A four-part social media campaign (launch, reveal, and two conversion-focused posts) with captions for Instagram, Facebook, and LinkedIn
- An info-graphic poster and product details that explain the brand and highlight your offers: PKR 2,500 for a single bottle with 5 free electrolyte tablets, and PKR 5,000 for the Double Bottle Set
- A one-page portfolio website, hosted on GitHub Pages

The full proposal, including mock-ups, the delivery schedule (three weeks to final delivery), and costing (PKR 140,000 in total), is attached for your review.

What sets this approach apart is that the campaign is already designed and sequenced: it builds curiosity, reveals the product, and then moves your audience to action with clear offers.

I would welcome a 20-minute call this week to walk you through the work and hear your feedback. Please let me know a time that suits you.

Thank you for your time and consideration.

Kind regards, [Your Name] [Your Title / Agency Name] [Phone] | [Email] | [Portfolio / GitHub link]

Email 2 – Follow-Up Email

To: [Client Name / Email] **Subject:** Following up: AURA Brand & Launch Proposal

Dear [Client Name],

I hope your week is going well.

I am following up on the AURA proposal I sent on [date of first email]. I wanted to check that it reached you and see whether you had any questions about the brand direction, the schedule, or the costing.

To recap the key points:

- **Deliverables:** logo and identity, four campaign posts with captions, an info-graphic poster, and a one-page website
- **Timeline:** three weeks to final delivery, with launch support in week four
- **Investment:** PKR 140,000, with a 50% advance to begin

I am happy to adjust the scope or the budget to fit your plans, and I can walk you through the mock-ups in a short call at a time that works for you.

If now is not the right moment, please let me know and I will gladly reconnect later.

Thank you again for considering AURA.
