AURA – Social Media Captions

Refill Today. Thrive Tomorrow.

This document contains the captions for the four-post launch campaign for AURA, an eco-conscious foldable water bottle brand. The posts are designed to run in sequence: a teaser launch, a product reveal, and two conversion-focused posts.

Campaign sequence: Launch → Reveal → Conversion 1 → Conversion 2 **Platforms:** Instagram, Facebook, LinkedIn (adapted versions provided where tone differs)

Post 1 – Launching Post: "Something Extraordinary Is Coming"

Objective: Build curiosity and anticipation. **Visual:** Covered product on a rock podium, deep navy theme.

Caption (Instagram / Facebook):

Something extraordinary is on its way. 💧

We're getting ready to introduce AURA, a new way to carry hydration wherever life takes you. Sustainable. Smart. Built for adventure.

A healthier you is closer than you think. Stay tuned.

CTA: Follow @AURA to be the first to see what's under the cover.

Posting Recommendations

- **Timing:** Post 1 and Post 2 two to three days apart; Posts 3 and 4 on launch day and two days after.
- **Engagement:** Use Instagram Stories with a countdown sticker before launch, and a poll after Post 3 ("Hiking or gym: where will you use AURA?").

- **Tone:** Keep replies to comments quick, friendly, and on-brand.
- **Claims:** Before advertising features such as leakproof, BPA-free, or temperature resistance, confirm them against the actual product specifications.
